InteLex Corporation proudly announces Past Masters Commons, a new offering in our Past Masters series. Past Masters Commons includes historically important texts and translations which have been newly edited for accuracy as well as modern scholarship. Most collections will be offered in XML format. All texts in Past Masters Commons will be offered at no charge to our existing institutional web customers; and new institutional customers will receive all Past Masters Commons titles at no charge.

InteLex Corporation’s Past Masters series encompasses the largest collection of full-text electronic editions in philosophy in the world. The series features significant collections in political science, religious studies, education, French and German studies, sociology, philosophy of science, economics, and classics. InteLex acquires and develops definitive editions of the full corpora of the seminal figures in the history of the human sciences, including their unpublished texts, articles, and correspondence. The Past Masters series has opened a new and exciting chapter in the history of scholarly research, and is now being utilized at over 200 research libraries in North America and Europe, and at over 1300 institutions in 46 countries worldwide.
